**STUDENT SAFETY** Students should be aware that the use and/or possession of illegal drugs are not tolerated. Touchstone Center for Crafts will terminate the student agreement immediately without refund and request that you permanently leave the campus. Many different tools are utilized throughout the day, which, if improperly or carelessly used, can cause injury. By enrolling in a class, students and faculty assume the risk of working with the tools and materials provided by the school, and neither the faculty nor the organization will be responsible for injuries received by students or faculty as a result of the improper or carelessness use of those tools and equipment. Furthermore, the use of alcohol in studios is forbidden, due to the increased potential of harm to self, others, and property of Touchstone.
